**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I also currently have competitive telephone service from my ISP.

I want an open internet, with competition and choice.

I live in a rural area and local broadband is critical.

I want price competition and freedom of choice.

Thank you,

Bruce Reading
